## TEAM HOUSEKEEPING

**Be ready to start next year with a strong team!**

- Secure team membership and team roles and responsibilities for next year
- Secure your team meeting schedule for next year
- Be ready to work with new administrators

## KICKING OFF PBIS

**Start the new school year positively and proactively!**

Make sure everyone in the school knows about PBIS, the behavior expectations in all areas and settings, the acknowledgment system, and the consequences for not following the expectations.

A short video example of administrators kicking off PBIS for the year is included at the bottom of this section.

Keep in mind: **this will be followed up with explicit teaching of the expectations in all areas of the school!**

## PLAN FOR TEACHING EXPECTATIONS

### Teaching Behavior Expectations

Be sure that all staff and all students know what behavior is expected in all areas at all times.

- Teach the expectations in all non-classroom areas such as hallways, restrooms, cafeteria, playground, etc.
- Teach the expectations in all settings such as assemblies, before school, after school, field trips, etc.
- Teach expectations in all classroom settings such as independent work, group work, lecture time, etc.
